GENERAL INFORMATION

VISION STATEMENT

God has called FIRE School of Ministry to be an influential online training school for a world-changing movement, raising up radically committed disciples and teams, ablaze with revival fire, who will bring a Jesus Revolution to America and the nations by demonstrating the kingdom of God in character and power.

MISSION STATEMENT

FIRE School of Ministry is called to equip and empower radically committed disciples who will impact America and the nations through the gospel of Jesus.

CORE VALUES

Deep Intimacy with God: We highly value cultivating a deep intimacy with God. We want it to be the motivation for everything we do; we want to know Him and make Him known through our words and actions.

Kingdom Character and Power: We highly value demonstrating the kingdom of God, both through being transformed by His Spirit and by ministering in the Spirit's power to others. We want His kingdom to rule in every area of our lives, in the lives of those we touch and over the cities and countries in which we live.

Grounded in the Word: We highly value being thoroughly grounded in the Word, following sound principles of biblical interpretation and affirming the core doctrines of the faith, majoring on the majors.

Missionary Zeal: We highly value living a "missionary lifestyle" where we are laying everything down for Jesus and reaching out to those who do not know the Lord. We want to be faithful in telling others the good news.

Passion for Revival: We highly value the outpouring of the Holy Spirit. We want to see Him move freely in our midst and we are praying for times of visitation and repentance where the manifest presence of God dwells among us.

Standing with Israel: We highly value God's eternal purposes for Israel, believing that His promises to the Jewish people still remain and that is important for all Christians to pray for and work towards the salvation of the Jewish people through faith in Jesus the Messiah.

For information regarding transferring FSM credits to other schools, please see the “Accreditation/ Articulation Agreements” section.

READMISSION AND ENROLLMENT

Students who are not enrolled in any FSM classes for more than 12 months must submit a readmission form. Students who are not enrolled for more than 18 months, must resubmit the entire application.

STUDENT POLICIES

It should be the desire of every believer to live in a manner that is pleasing to God (Eph 5:8-10; 2 Cor 5:9-10), and to become more like Christ (2 Cor 3:17-18; Rom 12:1-2).

Part of the training students receive at FSM involves developing the private habits and public lifestyle that befit a minister of the gospel. During registration students must complete a Student Commitment to Excellence, demonstrating their agreement to abide by FSM's academic, moral and social standards.

STUDENT COMMITMENT TO EXCELLENCE

Each FIRE student is expected to commit to the following standard of excellence:

- To grow in my relationship with God through prayer, study of the Word, worship, and devotion (2 Tim 2:15; Eph 6:18).
- To attend a local church, where I can fellowship with other believers (Heb 10:25). *
- To conduct myself in moral, ethical, and spiritual purity according to God's Word (1 Tim 4:12).
- To cultivate positive social relationships, avoiding gossip, and all forms of harassment. This includes using social media and other communication tools in a responsible manner, not posting lewd, vulgar, or harassing content (Eph 4:29; Prov 16:28).
- To conduct myself as a responsible citizen (Rom 13:1).
- To avoid the abuse of alcohol, avoiding drunkenness, alcohol addiction, and underage drinking (Eph 5:18).
- To avoid illegal drug use, tobacco products, and recreational drug use (Romans 6:13; 1 Cor 6:12).
- To pursue sexual purity, in agreement with the biblical view that sexual activity is to only occur within God-ordained marriage between a naturally born man and a naturally born woman (1 Cor 6:18-20; 1 Thess 4:3-8; Matt 19:4-6).
- To pursue academic excellence and integrity.
- To conduct myself in a responsible manner when interacting with FSM staff, faculty, and fellow students, as well as during practical ministry requirements.
- To abide by established school standards and academic guidelines.

**Students who find themselves in situations where this is not possible (for example living in a region where there are no Christian churches), are encouraged to participate as much as possible in FSM online meetings.*

Students with questions about these commitments as they relate to local laws/customs or their personal situations may contact the FSM staff for clarification.

ESSENTIAL DOCTRINES

While there are many areas of doctrine where fellow Christians often differ and can have constructive debate, there are also beliefs that are foundational and essential.

In order to participate in practical ministry requirements, FSM students must not promote beliefs contrary to fundamental, essential teachings of the Christian Church, including: the triune nature of God; that salvation is only found through Jesus Christ; that both the Old and New Testaments are the inspired Word of God; that marriage, as ordained by God, is only between a naturally born man and a naturally born woman; that life begins at conception.

SCHOOL STANDARDS AND GUIDELINES

Announcements

Announcements are generally emailed to the students and posted in Populi. Students are responsible for all information communicated through the announcements.

Church Service Attendance

FSM students are required to attend a local church body. Students are also encouraged to become part of a small group or similar gathering at your local church. Students who find themselves in situations where this is not possible (for example living in a region where there are no Christian churches), are encouraged to participate as much as possible in FSM online meetings.

Health care

Each student is fully responsible for his/her own medical expenses and for those of family members. FIRE School of Ministry cannot assume any financial responsibility for health services rendered to FIRE students and their family members.

Fasting

Students should contact their primary care physician before beginning a fast, to ensure the student is physically capable of the fast and enters and exits the fast appropriately.

Solicitation of Speaking Engagements

Solicitation of speaking engagements at churches using your status as an FSM student is not permitted.

Pastoral Care

It is important for FSM students to be part of a local church body, to receive encouragement, support and pastoral care from fellow believers and leaders in your area. Students should also be aware that FSM is not able to provide professional, long-term counseling services to individual students.

Harassment

Any form of harassment by FSM students, employees or volunteers is completely unacceptable. A partial list of unacceptable behavior includes:

- Profanity, obscenities, vulgar gestures, slander, public humiliation, threats.
- Sexual harassment of any kind, including: requests for sexual favors, unwanted touching, inappropriate or obscene remarks or text messages.

Any harassment should be reported immediately to the FSM Administration. If the student fears an imminent threat to their safety, they should first contact the police.

DISCIPLINARY PROCEDURES FOR NON-ACADEMIC VIOLATIONS

Each student should carefully read the policies and rules contained in the School Catalog. If a student's conduct or behavior results in a serious violation of FSM's standards, including the Student Commitment to Excellence, the following disciplinary procedures will apply:

- Depending on the severity of the infraction, the student may be given a warning, placed on probation, or, for more serious offenses, be dismissed from school.
- If the student is placed on probation, the student will be required to meet via phone or Zoom video conference with an FSM staff member to discuss accountability. The student will continue to be able to take classes, with possible restrictions. A lack of improvement during the probationary period may result in dismissal.
- If dismissed, the student will be given re-enrollment requirements (if applicable). If re-enrollment requirements are successfully completed, the student will be allowed to re-enroll.
- A student may submit an appeal for any nonacademic dismissal within 48 hours of dismissal. The appeal must be emailed to the Registrar, with detailed documentation verifying the student's circumstances. The President will review any such appeals and make a final determination.

Please consult the Dismissal section for additional information.

A candidate for the Associate in Practical Ministry degree will be graduated with honors as follows:

Cumulative Grade Point Average

Cum Laude	3.50-3.74
Magna Cum Laude	3.75-3.89
Summa Cum Laude	3.90-4.00

Grade appeal process

Students will have 45 days from the date grade reports are made available in Populi to question or appeal a grade by contacting the Academic Department.

Grade questions

Students who have questions regarding grades they received for any class, test, or paper are encouraged to email the Department.

Incomplete grades

The grade of "I" (Incomplete) is given only in extenuating circumstances to students who, with the approval of the Academic Department, have satisfactorily completed a minimum of 50% of the course assignments/requirements, but for unforeseen reasons (personal emergency, illness, or other considerable hardship) have been unable to complete all course requirements.

An incomplete may be recorded for a maximum of one term and is not computed into the student's GPA. Courses for which the student receives a grade of "I" must be completed by the end of the immediately succeeding term or the grade will automatically convert to an "F" on the student's record and will be computed into the GPA.

ACADEMIC PROBATION AND SUSPENSION

FIRE School of Ministry seeks to provide quality higher education and, therefore, requires reasonable academic progress. Students who do not make reasonable academic progress will be subject to academic probation or suspension according to the following policy:

- A student enrolled in four or more credit hours who fails to achieve a minimum term GPA of 2.0 will be placed on academic probation for the next term of enrollment of four or more credit hours.
- At the discretion of the Academic Department, the probationary period may continue until the student achieves a minimum term GPA of 2.0 for a subsequent term of enrollment, or achieves a minimum cumulative GPA of 2.0.
- Failure to achieve or maintain a 2.0 cumulative GPA while on academic probation may result in an academic suspension, with re-enrollment at the discretion of the Academic Department.
- The student will also have the option to change to non-degree status.

Academic Suspension Appeal Process

A student who feels he/she has been suspended unfairly may choose to appeal the suspension. Within forty-eight hours following an academic suspension, a student may submit an emailed appeal to the Academic Department with detailed documentation to validate the appeal. If the Academic Department decides that re-enrollment or continuance requirements (where applicable), have been successfully met, the student may be allowed to re-enroll.

ACADEMIC DISHONESTY

FIRE School of Ministry students are awarded their certificate or degree in recognition of successful completion of coursework in the program. Everyone is expected to earn his/her certificate or diploma through the application of diligent, personal effort. Consequently, any plagiarism on assigned papers, cheating on quizzes or exams, or falsifying course affidavits, constitutes dishonesty. Students who engage in academic dishonesty will be penalized.

Plagiarism

Plagiarism is the unacknowledged quotation of the exact words of a published text or the unacknowledged borrowing of original ideas by paraphrase from a published text. A student using information in written papers from books, articles, or oral or online sources must use footnotes or endnotes or cite sources within the text, endnote page, or bibliography, as determined by the instructor. Such sources will serve to reference direct quotations, generally unknown ideas and facts, or the form, structure, and/or style of a secondary source to the author, including information that has been reworded and is not a direct quotation. Citations are not required for widely known facts and the student's firsthand thoughts and observations.

Cheating

In a scholastic environment, cheating includes the following:

- Giving or receiving answers during quizzes or exams
- Soliciting another person to take a quiz or exam
- The actual taking of any quiz or exam for another student

- Writing a term paper or assignment for another student
- Using course materials or answer keys in an unauthorized manner
- Looking up answers to questions online while taking a test
- Presenting another person's assignments as one's own
- Falsifying a course affidavit

Penalties for Plagiarism or Cheating

The penalty for plagiarism or any of the above cheating infractions will depend on FSM's assessment of the severity of the offense, and may include receiving an "F" with the numerical value of zero on the assignment, receiving an "F" as the final course grade, or possible suspension or dismissal from the school.

Academic Dishonesty Appeal Process

A student who feels he/she has been penalized unfairly for Academic Dishonesty may choose to appeal the penalties. Within forty-eight hours following the penalties, a student may submit an emailed appeal to the Academic Department with detailed documentation to validate the appeal. The Academic Department, in coordination with the President, will review any such appeals and make a final determination.

LEARNING DISABILITIES

Students with documented learning disabilities may request accommodations by contacting the Director of Academic Affairs. The Director of Academic Affairs will provide the student with FSM's complete learning disability policy and will work with the student to ensure that appropriate, adequate, and reasonable accommodations are provided.

PROGRAM REQUIREMENTS

Students must meet the program and graduation requirements as outlined in the catalog that is in effect at the time of the student's first term. In the case that a student misses one full year of school, the student will be required to complete the requirements as outlined in the most current catalog, upon their re-enrollment.

ACADEMIC ADVISING

Students who have questions regarding registration, graduation requirements, or other academic concerns, may contact the Academic Department for academic guidance. Although the Academic Department provides such guidance and monitors student progress, responsibility for fulfilling all program and graduation requirements rests solely upon each individual student.

DOCTRINAL STATEMENT

We believe in the verbal, plenary inspiration of the Bible, both the Old and New Testaments (2 Tim 3:16; Heb 4:12; I Pet 1:23-25; 2 Pet 1:19-21).

We believe in the one triune God co-existing in three persons: the Father, the Son, and the Holy Spirit (Mat 3:16, 17; 28:29; John 17).

We believe that man, in his natural state, is a sinner, lost, undone, without hope in the world, and without God (Rom 3:19-23; Gal 3:22, Eph 2:1,12).

We believe that Jesus is God, come in the flesh and that He is both fully divine and fully human, the Son of God (Luke 1:26-38; John 14:1-3; Acts 2:36, 3:14, 15; Phil 2:5-12).

We believe the only way to be saved is through the shed blood of Jesus Christ, who died for our sins and was raised for our justification (Acts 4:12; Rom 4:1-9, 25; 5:1-11; Eph 1:3-15).

We believe that the same Christ Jesus who walked the earth in His fleshly body has been raised from the dead and has ascended to the Father and is presently serving as head of the church on earth, bringing it to purity and maturity, and interceding for the saints (Luke 24:39-43; John 20:24-29; 14:1-6; Romans 8:34; Eph 4:11-13; Col 1:18; Phil 1:6; Rev 19:7-8).

We believe in the visible, bodily, premillennial return of Christ Jesus to this earth, to gather His Church (Bride), and to judge the world (Acts 1:10, 11; I Thessalonians 4:13-18; 2 Thessalonians 1:7-10; James 5:8; Revelation 1:7).

We believe that in conjunction with the return of Jesus, the people of Israel will turn to God and be saved (Mat 23:39; Rom 11:15). The church is not spiritual Israel; it will enjoy the promises given to Abraham along with natural Israel, not in place of it. The church and Israel remain distinct, but believing Jews and believing Gentiles are united as one people of God through the redemption that is in Messiah Jesus, the Son of God. With this in mind, the church should love Israel as it loves itself, should pray for Israel, should minister with the understanding that their Savior is Israel's Messiah, and should pursue the salvation of Israel.

We believe that the terms of salvation are repentance toward God and a personal, heartfelt faith in the Lord Jesus Christ, which results in regeneration of the person. This salvation is entirely by the grace of our Lord and not of works. Works are excluded except as fruit of salvation (Acts 3:19, 20; Romans 4:1-5; 5:1; 10:9-10; Ephesians 2:8-10).

We believe that the Church of Jesus Christ is a body of believers who have Jesus as their head; who assemble to worship, who carry forth the great commission, and who minister as the Holy Spirit leads (Mat 16:18, 28:19, 20; Acts 2:20-28; Eph 4:15; 5:22-32; I Tim 3:15).

We believe that the two ordinances of the Church which are commanded by Christ are Baptism, by immersion in water in the name of the Father, Son and Holy Spirit (Mat 28:19-20; Acts 8:38; Rom 6:1-4; 1 Pet 3:21); and the Lord's Supper, a memorial of the death, resurrection and second

coming of our Lord Jesus Christ (Luke 22:13-20; 1 Cor 11:23-26).

We believe that believers should live, as the early disciples did, a life separated from the world and unto Christ and to set standards of conduct that exalt our Lord and His Church. A life of holiness and obedience to God is not optional, but is commanded by Jesus and the apostles as a requirement for those who will enter the kingdom of God (Mat 7:21; 16:27; Rom 12:1-3; 2 Cor 6:17; Gal 6:14; Eph 5:11; Col 3:17; Rev 20:12). Holiness is not prerequisite to, but evidence of, salvation, and as such it is always present among those who are saved (Heb 12:14).

We believe that the Scriptures clearly set forth the doctrines of eternal punishment for the lost and eternal life for the saved (Mat 25:34, 41, 46; Luke 19:19-31; John 14:1-3; Rev 20:11-15).

We believe the Holy Spirit to be the third person of the Trinity whose purpose in the redemption of man is to convict men of sin, regenerate, indwell, and guide the believer into all truth, and give gifts to believers as He wills, that they may minister as Christ would, to men. We believe that any local congregation that yields to the Holy Spirit should experience the manifestations of all the Spiritual gifts mentioned in 1 Cor 12:8-10 (Luke 11:13; John 7:37-39, 14:16, 17, 16:7-14; Acts 2:39-48).

We believe that Baptism in the Holy Spirit, primarily evidenced by speaking with other tongues as the Spirit gives utterance, is for all believers as promised by John the Baptist (Mat 3:11), Jesus (Acts 1:4, 5, 8), and Peter (Acts 2:38-41) and as witnessed by the early disciples of the Lord Jesus Christ (Acts 2:1-4; 10:44-46; 19:6).

We believe that God uses doctors, medicines, and other material means for healing, but that divine healing is also provided in the atonement (Isa 53:5) and may be appropriated by laying on of hands by elders (James 5:14-16) or by believers (Mark 16:18), by the prayers of any believer gifted for healing the sick (1 Cor 12:9), or by a direct act of receiving this provision by faith (Mark 11:23).

We believe that the foundation of the New Testament Church is the apostles and prophets, Jesus Christ being the cornerstone. We also affirm that the five-fold ministry of apostles, prophets, evangelists, pastors, and teachers, will continue until Jesus returns (Eph 2:20-22; 4:11-16).

We believe that leadership in the church should emerge as the gifts of God become evident, that these leadership gifts include, but are not limited to elders and overseers, and that all leaders in the body of Christ are given to serve the body, not to be served, and to facilitate the will of God, not their own will, being realized among the saints under their care.
